## PREFACE.

---

We take pleasure in presenting to the public herewith our Third Volume of the Fort Wayne City Directory, to which we have appended business directories of Antwerp, Auburn, Bluffton, Columbia City, Decatur, Huntington and New Haven.

The utmost care has been taken, from the inception of the work to its close, to obtain correct and reliable information and to arrange and classify it in the most convenient form. Absolute freedom from error, in a work of this kind, can never be attained and we only claim to have put forth our best efforts to make a volume of which the citizens, and we as publishers, should be proud.

A large amount of information concerning the public, religious, charitable and private institutions of the city will be found on pages 299 to 315. The work contains 9,354 names, against 8,645 in our last issue, an increase of 709 names. From these figures we estimate the present population of the city to be 31,739. This includes territory outside the limits and adjacent to the city proper.

It was the intention of the publishers to give a statistical review of the trade and manufactures of the city—historic in its character and embracing every legitimate industry, but owing to the illness of the Hon. F. P. Randall, who had kindly offered to write up the same, we have been obliged to complete the present issue without this desirable addition, and to postpone its publication till our next issue for 1878.

Thanking all who have aided us by their patronage and assistance, and trusting that future editions may merit a continuation of their favors, we remain,

Very respectfully,

R. L. POLK & CO.,  
*Publishers.*

# Dr. Aikin's Remedial Institute

FOR THE CURE OF

Eye, Ear, Throat, Lung, Nervous, Chronic, and Surgical Diseases.

The Doctor's location is most eligible, central, and convenient, at

**57 Monroe St.** Opposite (above) Rathbun House, and a few doors from the Union Ticket Office, with an entrance at **91 Ottawa St.** (Hall extending through the Block.) Parlor for Ladies, and separate rooms for the convenience of all different patients. Those from abroad should come at once to the office on arriving in the city, and arrange treatment before other business. **Office Hours, from 9.00 A. M. to 4 P. M. Sundays, 10 to 2.**

Most families have one or more with life embittered by needless suffering—seldom free from pain, always conscious of diseases or disability. Yet they can be cured by the skilful Specialist.

Established here in extensive practice since 1869 (at St. Louis in '65; San Francisco during '73), enjoying a wide and merited reputation as a most successful Physician, and having thorough qualifications, insight and aptness for the Healing Art, with a complete supply of instruments, appliances, and all the best means and remedies known to the Profession, a constant succession of cures still attends Dr. Aikin's practice, and consequently the number of his patients is ever on the increase.

## DR. AIKIN.

The well known Specialist, now permanently located in Grand Rapids, Mich. His Improved Remedies and Treatment have made him Celebrated for his Extraordinary Success. All classes of Patients Treated with Equal care and Skill. Hundreds attest the Great Efficacy of the Treatment. Hearing and Sight Restored, Lung, Throat, and other chronic Diseases cured, and Broken Down constitutions built up and Reinvigorated. Serious, complicated Diseases, that for Many Years Resisted the Treatment of Numerous Physicians, are Speedily cured by Dr. Aikin.

## A DOCTOR TO HAVE FAITH IN.

A lady writes to Dr. Aikin: "I am so soon and easily well by your treatment that my faith in you is unbounded, and shall recommend you to all my friends as a most reliable physician." "Must have help, or die, or go insane I concluded," writes a man of 26, in poor health for years, who, after a short treatment by Dr. Aikin, further states: "Your remedies are having a remarkable effect. I can sleep better, am gaining flesh, and my health is improving in all respects." Dr. Aikin has given the public sufficient evidence to convince the most skeptical and incredulous that his method of treatment is peculiarly successful in every department of his Great Specialties, especially such cases as have defied the skill of other and justly celebrated physicians; No one should despair that is afflicted with seemingly incurable disease, but cherish a hope of being relieved of suffering, if not entirely cured, by his experienced skill and care.

## BLINDNESS! DEAFNESS!!

All Diseases and Affections of the Eye and Ear successfully treated by mild remedies. Cross Eyes Straightened. Artificial Eyes inserted that look natural. No pain.

## CATARRH, CONSUMPTION.

Asthma, Bronchitis, and all Throat and Lung Complaints (which, in this country, are the greatest enemies to Health and Life), when change of climate and all else fails, are cured by Dr. Aikin's Improved Inhaler and Constitutional Restorative Treatment.

## LINGERING OR CHRONIC AND SURGICAL DISEASES.

Scrofula, Rheumatism, Dyspepsia, Piles, Goitre, Dropsy, Gravel, Constipation, Tape-Worm, Liver Diseases, Cancers, Tumors, Fistula, Hare Lip, Club-Foot, etc., remedied by the most approved methods.

**Stuttering,** Stammering, and Impediments in speech that daily and hourly vex and mortify, and make one a laughing-stock through life, permanently cured by a scientific, rational and practical method—the cause removed, and cure permanent and positive.

**LADIES.** Married or single, confidently consult the Doctor on any delicate derangement of health, as he is doubtless the most skilful Ladies' Physician in the World. Do not suffer from Pain, Weakness, Whites, Ulceration, Suppression, or other diseases, and drag out a miserable life when you can be certain of easy, safe, and speedy cure in any case by applying to Dr. Aikin.

Stirpiculture—few, healthy children, or none. Trusses, Supporters, Preventatives, Syringes, etc., supplied. **EPILEPSY,** Palsy, Chorea or St. Vitus Dance, Neuralgia, etc., cured where other means fail.

## GENTLEMEN! YOUNG, MIDDLE-AGED & OLD MEN.

Suffering the sad effects on body and mind of Self-Abuse, Excesses, Disease, or Defect, whatever read or doctor told in vain, let not despair or false modesty be your ruin, but call, or send at once. The only sure, rational lasting cure for Spermatorrhoea, Seminal Weakness, Nervous Debility, Impotence, etc. No quackery or deception. Friendly advice and reliable aid. It is well known that Dr. A. always effects a cure. His treatment includes ALL—you need never look elsewhere. Those about to marry should not fail to consult him. SURE quickest and mild remedies for all private diseases or old symptoms. Gleet, Syphilis, Strictures, Defects, Phimosis, Hydrocele, Varicocele, etc., radically cured. No mercury used. Private Rooms. No "getting prescriptions." Travelers promptly supplied. While many innocent victims suffer the terrible effects of certain diseases neglected or badly treated by physicians in general (they should not be intrusted with these cases,) it is right and proper to use plain terms that the indiscrete or unfortunate may know where to get help, and no offense can be taken by pure minded persons—See Titus I-15.

## CONFIDENTIAL.

Every patient (either sex) may freely state all particulars of their case to Dr. Aikin, either in person or by letter, reposing in his trust any delicate personal, or family matter, and can always rely upon the strictest confidence and secrecy. DR. AIKIN guarantees better, safer treatment (and for less money) in all Special Cases than he had elsewhere. He is easily accessible from all points.

**The Most Difficult Cases Solicited.**—Consultation Free. Terms Always Reasonable. Come prepared to arrange needful, thorough treatment. Satisfaction Guaranteed To All. Medicines Furnished. Patients, visited, in city, or any distance, in serious cases.

**Life is too Short to be Miserable.**—If you have any serious, obstinate disease or annoying symptoms, no matter how discouraged or how often disappointed, stop useless doctoring and dosing and apply to the Doctor. Sufferers for years or a lifetime be cured in a few weeks. All the afflicted who come to him will find the aid they seek.

**Cured at Home.**—Persons at a distance may be cured at home by addressing letter to Dr. Aikin, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use, by enclosing \$10 in registered letter, P. O. order, or Express. Call, or address

N. J. AIKIN, M. D., 57 Monroe St., Grand Rapids, Mich.

**Remember,** DR. AIKIN is the only qualified, experienced, reliable Specialist here; treats his patients honorably, gives the choicest remedies, is a regular graduate in medicine, universally owned the most successful and is the right physician to employ,

# MANUAL OF BANDAGING.

BY C. HENRI LEONARD, M. A., M. D.

*Has over 100 Original Illustrations; 152 Bandages described. Text-book at several Medical Colleges. 8 vo cloth, \$1.50.*

"It describes and gives cuts of almost all conceivable bandages. To those who have never enjoyed the opportunities which a large hospital can alone afford, this book will prove a very valuable aid."—*Peninsular Journal Med.* "Every student should possess it; and as it is the most explicit and best illustrated English work of its kind, there will be few physicians who will not prize its worth."—*St. Louis Med. Jour.* "The wood-cuts are very instructive. It is charming to look, at last, upon a new set of these. We heartily commend the book, especially to recent graduates and to students."—*Louisville Med. News.* "The most complete manual published."—*Med. Observer.* "So plainly illustrated that 'he who runs may read.'"—*Review.* "This is an excellent compend, and will be found of great value by the student and young practitioner. The illustrations are well adapted to the purpose intended."—*St. Louis Clinical Record.* "Is very neatly illustrated, and besides a very comprehensive description of bandages proper, contains chapters on knots, poultices, strappings and immovable dressings."—*Med and Surg. Reporter.*

## DOSE BOOK. BY C. HENRI LEONARD, M. D.

Second Edition (Seventh Thousand), revised and enlarged, Paper, 60 cts.; Cloth, 75c.

Contains the doses of more remedies than any other Dose-Book or *Materia Medica* published, and is used in nearly every Medical College in the United States, and by Physicians and Druggists in every State and Territory, and the Canadas.

"The author has taken much pains and exercised good judgment in the process of selection and condensation. It is, in fact, astonishing how much he has got into these little books."—[*Phil Med. and Surg. Reporter.*] "Is emphatically a *multum in parvo*, and contains a fund of valuable information of every day requirement. Besides being the most complete Dose-Book we know of, it is indispensable to the practitioner on account of its other contents."—[*Peninsular Jour. Med.*] "Every one must acknowledge that this author has compressed an immense amount of ready practical information into the minimum of space."—[*Chicago Med. Jour. and Examiner.*] "A very complete little volume containing a rare selection of valuable information, arranged for ready reference."—[*St. Louis Med. Jour.*]

## VEST-POCKET ANATOMIST.

BY C. HENRI LEONARD, M. D.

Enlarged Edition. Paper, 50 cts. Used in nearly every Medical College in the U. S.

"Brief, comprehensible and to the point. In fact, it is 'Gray' and 'Wilson' in a 'short dress.' The departments named are COMPLETE; something you cannot say of the small anatomies heretofore issued."—[*Medical Observer.*] "A neat and convenient reference for the study of anatomy."—[*St. Louis Med. Jour.*] "A handy little manual for a medical student or practitioner that may want to save referring to Gray."—[*Review.*] "We should regard it as a very convenient work to carry with one, to refresh one's memory on points on which it is but too apt to grow rusty after leaving the dissecting room."—[*Peninsular Jour. Med.*]

The above books are for sale by **SIEMON & BRO.,** 50 Calhoun Street.

# HOFFMAN'S PATENT

## BAND SAW MILL FOR SAWING LOGS.

Among the many advantages this Mill has over Circular and Mulay Mills we mention:

1st.—**SAVING OF LUMBER.** Ordinary saws cut five-sixteenths of an inch saw-kerf; our Band Saw takes ONE-TWELFTH. This makes a saving of 229 feet of lumber on each 1,000 feet of inch boards sawed.

2d.—**SAVING OF POWER.** Twelve-horse power will cut 8,000 feet of lumber per day.

3d.—**MAKING BETTER LUMBER.**

4th.—**FREEDOM FROM DANGER.**

We are also prepared to furnish our Improved Patent

**BAND SAW MACHINES**  
FOR SCROLL SAWING.

A Mill and the small Machines can be seen in operation at our Factory in Fort Wayne. Manufactured only by **J. R. HOFFMAN & CO., Fort Wayne, Ind.**

## COLUMBIA CITY, IND.

A thriving incorporated village, the county seat of Whitley county, situated 19 miles west of Fort Wayne, and 129 miles east of Chicago, on the Pittsburgh, Fort Wayne & Chicago railroad, at the crossing of the Detroit, Eel River & Indiana railroad. Its superior railroad facilities make it a point from which large quantities of grain, flour and stock are shipped annually. The merchants are wide awake for trade and for the most part do a good business. Among the leading industries of the village prominent mention is made of the new "Brilliant" merchant flouring mills, owned by D F Campbell & Co.

The hotels compare favorably with any in this portion of the State; and if the traveler stops at the Columbia City House, he will soon learn that its manager "knows how to keep a hotel."

Two weekly papers are published, one Republican, the other Democratic. A new \$30,000 jail furnishes safe accommodation to its occupants. Population, about 3,000.
